**Due to an unexpected medical issue the Bronc Wise dances planned to be held in June are now cancelled**

# PRESIDENT'S MESSAGE

G'Day,

Congratulations to Andrea Braun and Allabout Squares in Mount Gambier on your 10th birthday. I have been speaking to a number of dancers and the feedback tells me that much fun was had during the weekend.

JVC's 4th Birthday was magnificent in its simple pleasure. I had a very good time meeting John's dancers and making new friends. It was a lovely day in Victor Harbor for dancing and great food afterwards, well done Jacqui. Sorry my wife Karen couldn't be there to help you celebrate.

It's nice to know that everyone had a fantastic time in Perth and arrived home safe and sound. I heard the dress sets looked great on the dance floor. Thank you to everyone who took part in representing South Australia. Thank you too to the Round dancers Anne, Les, Ivan and Janine for presenting the show case and to Shirley for cueing it.

May saw many Mothers Day themed dances being held, I hope all our mothers received the attention and spoiling that recognised the years of hard work that being a mother involves.

Don't forget the State Convention coming up in August at Hewett Community Function Centre, hope to see everyone there. Please book your tickets now and accommodation is still available at the Gawler Caravan Park **but you will need to ring them and advise that you are a square dancer as we have organised accommodation to be held for us**, and there is the dinner on Friday night at the Gawler Arms Hotel to consider.

Many thanks

Murray Dempsey

# SASDS COMMITTEE NEWS

The Committee Meeting at the end of April was exceptionally long with detailed discussions about the dance programme for the Callers and Society Dinner Dance on July 14<sup>th</sup>. It's a bit of a juggling act to make it mainly Mainstream but with a few Rounds and Plus as well. The caterers have supplied the menu & it certainly looks yummy – something for everyone! You can check it out on Noticeboards and in this issue.

The French theme will be fun, so come along, dress up & enjoy a social night catching up with dancers from other clubs. Hopefully some of our country Club dancers will make the trip too – it's always great to see you.

Dawn gave a report from the National in Perth which included the locations of the next three National Conventions. 2019 is in Deloraine, 2020 is The Blue Mountains and 2021 will be Darwin. Promotional car stickers for Square Dancing are planned, so we'll be watching out for those & will let you know when they become available.

The committee decided that a SA Directory is to be supplied to each club so that visitors and club members can check out details of our clubs, venues & dance times.

I reported on the new National website [squaredanceaustralia.com](http://squaredanceaustralia.com) There is lots of information on here about Deloraine, also check out magazines from other states under the **Publications** heading.

Bookings are continuing to grow for our State Convention 'Country in the City' 25 – 27 August at Hewett. If you need help with Trybooking, just ask at your Club.

I'm off overseas for the next couple of months so Stephen will be penning the committee news.

Until next time happy dancing,

Cheers, *Pauline*

# ADELAIDE OUTLAWS

Hi everyone. We hope you enjoyed our Mothers' Day Chocaholics dance last month - thanks to all who helped set up the hall and those who brought along chocolate suppers!

Pancake Night is upon us and hopefully you've booked for your feast. The Pancake King is always entertaining.

Congratulations to our Intermediate dancers who have now completed the Mainstream Program and we welcome a new group into the intermediate program.

We'll be launching our next learners' intake on Monday June 11th with a Charity Dance to support the Cancer Council of SA.

Please help us by spreading the word. It will be followed by a six weeks' of open nights where new people can join us. Again, whilst we are publicising through various types of media, we need your help to spread the news to non-dancers and show them what a great activity we enjoy. Take flyers (we have plenty) and hand them out, if you see Facebook posts on the Charity Dance and 6 week intake, share them. We'd appreciate that.

Finally, coming up in early July we will be holding our American Night. Dress up in red, white and blues, enjoy a colourful hall decorated in the theme and mini hot dogs & donuts as we musically feature various states of the US in our dancing.

## JVC Square Dance

Our learners are progressing well and with a little help from some visitors we have been able to do some good mainstream also – thanks to Judy and Brian and Pam and Wayne from Sunset Twirlers.

After the success of our 4<sup>th</sup> Birthday dance the members have been able to let me know of some movements they had trouble with and we have been working to rectify that. This month we have looked at the 8 chain thru – spin the top – circulates – cloverleaf - turn thru. Even the four new learners are progressing well with these movements.

By the time this goes to print we will have visited Sunset Twirlers 23<sup>rd</sup> Birthday Dance – Congratulations Les and Anne and all the members of the Club who have helped to make Sunset Twirlers the successful group that it is.

Happy Dancing Everyone Jacqueline and John.

<https://jvcsquaredance.com>

Hi everyone. Our soup night was a great success, thank you to the people who brought the homemade soup. YUMMY.

That night a special life membership presentation was made to three of our dancers who have been with the club and on the committee for a long time. Congratulations to Mick, Pauline and Wilma. It was a great turnout with Club members having to keep the presentation secret from those concerned. WELL DONE!

Our combined dinner with Wild Frontier, at Salisbury North Football Club is always well attended. Thank you to all the dancers that came along, great to see everyone and also some old faces that we haven't seen for a while. The food was yummy, the dance floor great and the staff couldn't help out enough Thank you very much.

THE FIDDLE STEAVIER SQUARES DANCE CLUB INC

No one was superstitious about arriving on Friday 13<sup>th</sup> April for our 'Wine & Cheese' night. Penny brought out the best with a variety of cheeses & wine for us to select. With Les calling & members from Sunset Twirlers attending we had enough dancers to make up a bonus set. Having a variety of dancers with their own unique style added to the atmosphere of the night.

Milton presented a bracket, along with our up & coming caller, Ros, who perfected 'Rocky Top' We even managed a Plus set.

On 20<sup>th</sup> April a delightful young couple who were visiting the area, dropped into table tennis in the morning & strolled in for a try at square dancing. They thoroughly enjoyed themselves & we were delighted to include them.

Penny retired on 20<sup>th</sup> April, came to dance but left early to rest up & try to rid herself of a cold as she was flying out to UK on 26<sup>th</sup> April.

Deidre has returned from W.A. & Gail from New Zealand after their holidays. Both ladies had an eventful time.

Unfortunately Leon also needs surgery, similar to Mark's, & we wish him the best for his speedy recovery. Jo is still waiting for further foot surgery so that she can once again join us.

Gail McMillan

At Scootbacks we have been dancing the nights away and keeping warm as the nights start to get colder.

Coming up on the 25th of May we will be having our AGM where a new committee will be selected to take on the years duty of planning wonderful nights. We thank the past committee for the awesome work they have done.

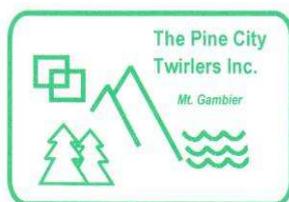

Scootbacks will be starting a 12 week learners class at the start of June with Trevor Hunt, which will be exciting, so if you know anyone

wanting to learn square dancing or even the left hand position please let us know. We have also decided to open on the 8th and 15th of June to help the learners along as well.

We look forward to our club birthday on the 17th of June at the Grenfell Hub at Elizabeth starting at 1:30pm.

Keep warm and have fun,

De Square Lady

No report from PCT for this issue, but we have photographic proof that a number of club members were enjoying themselves at

the National Convention.

Jenny and Gerry are again on their travels, this time on their way to Alaska after spending some time in Japan. We wish them safe travels and look forward to hearing about their holiday on their return.

We still have members away following the Perth Convention, which Jenny reported was very successful, brilliant decorations, but there were some sound difficulties. Unfortunately Lyn Mitchell suffered a broken toe whilst there and only managed one dance in a moonboot.

Another of our dancers, David Bierton, is also in a moonboot after an accident, nothing to do with square dancing. Our latest casualty, Pauline Ottaway has been in hospital after breaking her wrist in a fall, hopefully it will not stop her and Alistair going on their long awaited overseas trip. We wish them all a speedy recovery. After a lengthy stay in hospital Sandy James is home and we also wish her a speedy return to good health. We were pleased to receive a visit from Karen and Carl on their way home from the Convention, perhaps we should have asked them to repeat their memorable singing call that they did for us on their farewell night with us before they left for Queensland. Next time perhaps. The same night we also had a visit from Peter Heath and his friend Jonathan. Great to have them join us.

At the time of writing we are looking forward to our Mothers Day Dance and our combined May Dinner with Kannella Squares. We hope many of you will be able to come along and join us for what should be a good night of dancing.

Happy dancing everyone, Pat.

WHYALLA TWIRLERS

Two sets moving well on Monday nights. More new dancers appearing and enjoying themselves. We're going to try and put the dancers now into formal squares, to be with the same dancers through the night. It worked well last week and much more was accomplished.

David and I caught up with Trevor and Lorraine Hunt on Friday afternoon, and it was so good to see them both. Being so far from Adelaide and shift working has made it very hard to attend city functions. Hopefully we'll be able to catch up with you all soon.....'Happy Dancing'

SUNSET TWIRLERS

Firstly thank you to everybody who helped Les celebrate his birthday at the start of May including our friends at Paddlesteamer Squares. Although it was not significant number it was great to feel appreciated with the cake, candles, wine cards and Facebook posts.

Congratulations to John, Jacqueline and the dancers of JVC Squares on your 4th Birthday. A number of us travelled down and enjoyed a great afternoon of dancing and friendship. Some of us walked away with a few raffle prizes as well.

However whilst at JVC's birthday we unfortunate to witness the medical episode with Leon Parsons. Leon has been long standing visitor at our club and we wish him all the best for his recovery.

Les & Anne travelled to Perth to attend the 59th National Convention and were once again involved in presenting sessions at the ARDA Seminar as well as presenting South Australia's showcase and experimental dances. The convention was very friendly and enjoyable with the ship visiting a new port every night, lots of entertainment with the last stop being Hawaii. You would be surprised as to how many men have Hawaiian Shirts,  
Happy dancing from Anne & Les

Our 27th Birthday was held on Sunday 2nd June and as it has not been held at time of writing, all I can say is I hope everyone enjoyed themselves, especially ending with a good feed. So lets hope there will be plenty of good dancing heading to our 28th.

So lets look ahead to our State Convention coming up in August. As I am once again doing the programme for the Round Dance Sections [defiantly my last, although I said that last year], I am hoping I will see some of our past dancers take to the floor again. There have been a few hundred in the last 27 years, I have a book full of names when Round Dancing was nearly always a follow on after learning Mainstream. My main concern is the Friday afternoon bracket as I have no idea who will be there it is very difficult to no what dances to do, if possible, and you intend to be there, it would be great if you could send me an E-Mail.

All for now

Regards Thelma

Well, it has been pretty quiet this month. With Scotty off gallivanting around Vietnam and Cambodia, Pamela travelling to WA for her granddaughters wedding and Graham & Bev away in WA for the National Convention it was tough to keep dancing but we did it. Didn't get to do a lot of mainstream, however, we did manage to get a set up each week and had a lot of fun and socializing. This was accomplished by Roger Coutts setting up a program for each week and keeping everyone on the right track. Thanks, Roger, for all you did to keep the dance going in Scotty's absence. Meryl had a bit of a turn and may not be able to dance again but she rocks up with Jeannie whenever she can to chat with everyone.

While in Cambodia Scotty visited the Kampot Music School for Disabled and Orphaned Children (KCDI) and on behalf of the York Promenaders presented the school with a donation (see our website). This is the second year that we have donated to the school.

This month we should be nearly back to normal with our travellers back home. In June we will have Bronc and Fia Wise come up and visit us, and the mic will be turned over to Bronc. Should be a fun night. Details are in this issue of Roundup. If you would like to come up and join us you are more than welcome.

'Till next time Happy Dancing

On the road again. Safe travels to those still on their way home from the Convention. Some of our dancers have arrived home

safely, with a couple of us still in transit to be home soon. A great time was had by all both at the Convention and other dances in the area.
